Anime

Animated films from Japan

Action

thrillers that focus on high-stakes situations and intense physical sequences

Space

explore the vastness of the cosmos, often featuring themes of exploration, adventure, and the human spirit's desire to reach beyond Earth

Comedy

films designed to make audiences laugh. They often feature humorous situations, witty dialogue, and exaggerated characters.

- The page displays a list of all movie categories available in the database.

- Clicking the pencil icon allows you to edit the information for this category.
